INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, you know how they say that March comes in like a lion? I have no idea if that's true, because the only cat I can think about right now is my pussy.

Can you blame me? It's not even spring yet, and BARELY LEGAL beauty is blossoming all over. Just take a whiff of Teen Queen of the Month Tavia's soft, pink petals. Look at Anais, planting that dildo between her legs—I bet she has a big-ass orgasm growing inside her. And can't you just taste the sweet treat under Madi's strawberry bush? Her bestie Scarlet sure can! Is that an early spring shower I feel or just my panties flooding?

How about you? Do you feel anything sprouting?

PHOTOGRAPHY BY HERB KING

Mia: Through a mutual friend. I told her I was in BARELY LEGAL, and she was like, “Oh, I have a friend who did that! She’s so sweet! You’d like her!” and, well, I *did*!

Rachel: Did Sandy make the first move?

Mia: She flirted with me pretty heavily, but I was the one who invited her back to my place!

Rachel: What was it about Sandy that made you change your mind about girls?

Mia: Her sweetness—and her sense of humor. We just had such a good time together. We started fooling around for fun, and then she started licking my pussy and—*omigod!* My senses totally exploded!

Rachel: Did you like licking *her* pussy?

Mia: I started to get into it. It was weird at first. But I love it when people eat *me* out, so fair is fair.

Rachel: How awesome are Sandy’s boobs?

Mia: *Soo* awesome. They’re like pillows! I could sleep on those things—if I wasn’t, you know, too turned on to sleep!

Rachel: You’re starting college in the fall. Is this, like, your “experimentation” phase?

Mia: I don’t know if it’s a phase, but I’m definitely curious. I don’t want to get to college and hook up with a bunch of random guys while I’m waiting for Mr. Right, but I don’t want to give up sex, either. This could be the best of both worlds!

Rachel: Any future between you and Sandy?

Mia: Well, we’re going to different schools, so we probably won’t see each other much. But I’ll never forget what an awesome time we had! ★

MIA & SANDY

the whole shebang

Hey, guys! Rachel the intern here. Sandy and Mia are both former BARELY LEGAL Teen Queens of the Month. Sandy *loves* having sex with girls, but Mia is totally into guys—or so she *said*! After checking out this hot layout—in the bathroom, by myself—I had to call my girl Mia right away and get to the bottom of this.

Rachel: So, Mia, I thought you said you were waiting for the perfect guy.

Mia: I am! But a girl can’t wait forever. I have to have a little fun!

Rachel: How did you and Sandy hook up?

The woman on the right has blonde hair and is wearing a red tube top and pink bikini bottoms. Both women are smiling and have their hands resting on their thighs. The background is a grassy area with trees and a white object in the distance.

ALL GIRLS 18+

Hey, everyone, what's up? It's Stacy the intern. Don't be fooled by Anais's sweet smile. She's kinkier than the average high school senior!

Hi, Anais! That's such a pretty name. Where does it come from?

I was named after Anais Nin, the famous erotica author. Have you read her classic book *Delta of Venus*?

No! Erotica? Like *Fifty Shades of Grey*?

It's way hotter. She was so kinky.

Thanks for the recommendation!

Does reading dirty books get you off?

Oh, yeah. I can really put myself in the action. It makes my pussy throb so much, I *have* to touch it!

So do you masturbate a lot?

Whenever I have free time. It's my favorite hobby, but reading is a close second.

What's your favorite way to make yourself come?

I used to just use my fingers. My best friend gave me this dildo as a joke gift, but I totally use it!

What about with men? How do you like to get fucked?

I like to go a little wild, maybe some spanking. I might look innocent, but trust me, guys, I can handle it!

So what's up with the playing cards?

Are you a gambler?

I'm playing strip solitaire, LOL!

What's been your craziest sexual experience so far?

One time I had sex with my boyfriend in the woods. I was so scared that we would get caught, but it was *amazing*!

What's your favorite sexual position?

Even though I like kink, I prefer missionary. I love staring into a guy's eyes as his cock is sliding into my wet kitty.

What kind of guys turn you on?

Well, if a guy is well-read, obviously that's huge. Especially if his favorite thing to read is BARELY LEGAL! ★

She is looking over her shoulder at the camera. In the background, there is a bed with a tufted headboard, a nightstand with a teddy bear and a red cup, and some playing cards on the floor.

PHOTOGRAPHY BY
MARK LIT FOR DIGITAL DESIRE

Hey, it's Lindsey. Porn superstar Lexi Belle has already been in BARELY LEGAL three times, but I begged her to come back for one main reason: to be an inspiration for newly legal girls! (Also, she's totally hot.) -----➔

Lexi Belle, thank you for posing again. It's, like, so important for girls to see your bush.

Anytime! But why?

Well, our readers are always asking for girls with furry pussies, but everybody shaves now. So I'm hoping girls will see how you're a huge star even though you *don't* shave, and they'll get over their fur fear.

Wow, I'm a role model! LOL!

Is anybody ever, you know, negative about your bush?

Well, Howard Stern said it was retro. But I'm not trying to be, like, from the '70s or whatever. I just want to look womanly and hot.

Is it true that the first time you ever gave a guy a BJ was on camera?

Yes! Talk about performance anxiety!

Do you think you did it right?

I didn't embarrass myself or anything. But I'm way better at it now.

You're so famous these days. Is there anything people *don't* know about you?

I'm a *Star Wars* geek!

Really? Me, too! What's your favorite *Star Wars*?

Attack of the Clones.

Hmm. Would you ever dress up like Princess Leia in the slave-girl outfit if a guy asked you to?

I have! I did a little dance in it, too.

I think I just heard some nerd heads explode. Anyway, Lexi Belle, we're out of time. When can you come back for another muff demonstration?

Just give me a call! ★

TAVIA

PHOTOGRAPHY BY THISYEARSMODEL.COM

Hey, guys, it's Lindsey. I hope you're hungry for a hot, tasty treat, because teen model Tavia is about to serve you a mouthful. Open wide!

Hi, Tavia! How would you describe yourself?

Flirty and mischievous.

You look good enough to eat, but do you really know your way around the kitchen?

I love watching all the Food Network shows, but honestly, my cooking skills could use some improvement.

What do you think is your best physical feature?

My boobs, for sure. I love having them sucked—it gets me so wet. Oh, and my smile. Do you like it?

Definitely. Who wouldn't? Speaking of your mouth... spit or swallow?

Swallowing is so yummy—a nice, warm load hits the spot every time!

Gulp! What do you like to do when you're not posing naked or taste-testing jizz?

I love to work out and to hit the club and dance sexy with my besties. It's such a turn-on knowing that we're driving

guys wild as they watch.

Craziest sexual experience so far?

On the dance floor! This hot guy was grinding his hard dick against my ass, and he lifted my skirt, pulled my panties aside and fucked me from behind.

So hot. What's your favorite sexual position?

After that experience? From behind, for sure!

What's your ideal date?

A nice meal at a restaurant. It doesn't have to be fancy. As long as he eats my pussy for dessert after, I'll be happy.

How often do you masturbate?

As often as possible, when I don't have a nice dick to play with.

Favorite masturbation technique?

With a vibrator, or sometimes my showerhead.

Biggest sexual fantasy?

This might sound weird, but I think Guy Fieri is so sexy. Take me to Flavortown and fill me with your Donkey Sauce, Guy!

What are your goals for the future?

I'd really like to learn how to bake.

couple of the month

Madi

Favorite thing to put in my mouth: Tacos! Homemade. On a flour tortilla—I don't like corn.

Favorite pastimes: Freshwater fishing and wrestling people when I'm drunk.

Makes me wet: Getting my nice, juicy booty spanked and played with.

Turn-offs: Cancel culture. It makes people nervous to say anything. I hate it.

Go-to masturbation technique: Humping my pillow.

Ideal place for a guy to come: Creampies are the best.

Sexiest outfit I've ever worn: It was a dominatrix theme. Assless chaps, all leather, and a whip. Tits out.

Favorite thing about Scarlet: Her strawberry pubes and sweet pussy.

Scarlet

Favorite thing to put in my mouth: I'm such a fucking slut for White Castle.

Favorite pastime: Naked baking with other hot girls.

Makes me wet: I need super feral, throw-each-other-around-the-bedroom sex.

Turn-offs: Lack of manners, like when someone doesn't say "hi" back.

Special talent: I give incredible footjobs.

Ideal place for a guy to come: My lips, or maybe my feet.

Sexiest outfit I've ever worn: My birthday suit.

Favorite thing about Madi: How sexy she looks when she's going down on me.

WHITNEY

the tight stuff

Hey, it's Stacy the intern again. High school senior and star athlete Whitney never even thought about modeling until she met us, but she's a total natural!

Hey, Whitney! Did you like posing nude?

Yes, it made me feel very sexy.

What do you think is your best feature?

My stomach. It's flat and tight.

How do you stay in such awesome shape?

I'm on the track team at school. I run at least six miles every day.

No wonder your booty and legs look so incredible.

Well, I don't know about *that*, but I do tend to draw a crowd when I'm running laps.

Who's in the crowd?

The baseball team. Most of the players are hot, so I don't mind. ;)

How often do you masturbate?

Almost every day.

How do you do it?

I put a vibrator inside of me or use my fingers.

Are you bi?

No, I only like men.

What kind of men do you like?

White men.

What turns you on the most?

Big cocks.

What turns you off the most?

Stinky breath.

Do you like to give head?

I love it. I love to make the man feel good. It's rewarding.

Do you spit or swallow?

I always swallow. We runners need our protein!

Do you like when guys go down on you?

Of course! I admire a man who can make me come with his mouth.

What's your favorite position?

I like to be fucked in all positions, for variety.

What feels the absolute best?

Doggy-style, especially if you grab my booty and fuck me hard.

What's the best way for you to come?

Fuck me hard!

PHOTOGRAPHY BY DAVE NAZ

AGE: 18
HEIGHT: 5-4
WEIGHT: 123 POUNDS
MEASUREMENTS: 36A-25-36
HOMETOWN: DAYTON, OHIO

Do you like anal sex?

I love it. It feels good.

Some girls say it hurts.

Maybe it does a *little*, but my butt can take a pounding.

Where do you like a guy to come?

On my body. It's fun to get messy.

Have you ever had sex in public?

Yes, under the bleachers at school. I spend most of my time on the athletic field, so it's bound to happen!

Have you ever fucked a stranger?

Yeah, a grocery store worker.

Like, a cashier?

No, he worked in the meat department. He had these big, strong arms, and his apron was all splattered. I don't know, he just got me going!

What's the wildest thing you've ever done?

Sucked a dick in 12 o'clock traffic, in broad daylight. I enjoy being brazen.

We can see that! ★

ON MY OWN TWO FEET

A BARELY LEGAL CONFESSION

by Deandra Loomis

If you had asked me like four months ago if I would ever pose naked for a magazine, I would have said *no way*. I was a good girl, born and raised in Terre Haute, Indiana. I went to church. I was dance-team captain, assistant manager at the mall food court and a *serious* virgin.

I had a boyfriend and he was always trying to feel me up, but all I ever let him do was kiss me—only closed-mouthed too, no tonguing! I was saving myself for marriage. Reggie, my BF, sometimes he'd get a boner and moan, "C'mon, Dee—*please* let's get married!"

I look back at what a prude I was, and it's hard to believe. Poor Reg! I wasn't torturing him out of meanness. I really thought I wanted to be a virgin and even marry Reggie. But then I turned 18, and everything started to change. Maybe it was just, like, knowing I was finally an official adult. It was kind of, I don't know, *intoxicating*.

I made the first big step with Reggie. We were hanging in my den one night, maybe like four days after my 18th birthday. We were watching some old, old movie. Anyway, I was pretty bored and I thought, It sure would be fun to flash my boobs. So without even really thinking I lifted up my top and showed Reg my boobies. OMG, the look on his face! I think he was scared for a second that he was hallucinating, or maybe that I had suffered a severe nervous breakdown. But it was for real. I held my tee high. My nips were totally getting hard.

"Go ahead and touch 'em," I said. "It's okay."

Reg was frozen. I put my hands on his knees and shook my little boobs. He snapped out of it and squeezed me.

Having a guy touch me like that, skin on skin for the very first time, it was *amazing*. Shivers shot from the tips of my nipples all the way down to my tummy and into my pussy. My clitty got all hard and pushed against my jeans. I sometimes play with myself a little, but my clitty had never felt this way before. I guess there's no substitute for a man's touch.

I moaned. Reggie's dick was making a lump in his jeans. I wanted to see his boner in the flesh, so I unzipped his fly and dug into his boxer briefs.

It's so funny, 'cause I thought I'd be shy and awkward touching a penis, but it was the most natural thing. I closed my fingers around Reggie's cock and tugged. It felt like I was molding his boner, the way it rolled around and throbbed in my hands. I almost could have crawled in his lap and sat down on his dick right then and there. Instead, I straddled his knee and grinded my clitty into it, to make myself come. But I kept pulling on Reggie's cock the whole time. I didn't want to be selfish!

It was so sexy. I had a huge orgasm—like huger than any I ever had alone—but the best part was when Reggie came at almost the exact same time. He must have gushed a bucket! His jizz coated my tummy and the crotch of my jeans. (*Psst!* Don't think I'm gross, but when I undressed for bed that night, I sniffed the cum stain and touched my tongue to it, to try and taste. I was curious, sorry! Anyway, it was all dry by then.)

After that night, Reggie and I went to first and second base all the time. I told myself I still didn't believe in premarital sex, but it was all I ever thought about. It's a wonder I managed to graduate, I was so distracted! When summer came, Reggie and I spent every day eating ice cream and hiding in the park and going to *third* base—yes, I let him finger me! It was awesome, but I yearned for more. I mean, out of *life*.

PHOTOGRAPHY BY DAVE NAZ

“I thought I’d be shy and awkward touching a penis, but it was the most natural thing.”

I quit the food court and started working at the department store in Shoes and Handbags. I felt like a woman getting dressed up for work and wearing heels instead of a pink visor and polka-dotted apron. Also, I thought maybe I'd like to study fashion design and merchandising at tech college in the fall. So working at the store was a big step for me. It also changed my life *forever*, 'cause it's where I met Luis.

Before everybody thinks I'm a slut, I never cheated on Reggie. It's hard to explain, but I'm going to try to tell what it's like to meet an older man who starts to show you everything. Then you might understand and not just think I'm mean.

All night I tossed and turned and thought about Luis. Reggie called the next day, and we parked behind Rocky's Garage. I pulled on his dick till he came on my titties, but it wasn't the same. I was distant. Reg could tell something was the matter with me.

After a week of weirdness, I broke up with him. Nothing had even happened with Luis, but I couldn't deny that he was making me feel funny. I cried about Reg, but I was changing, like a butterfly.

The very next day at work, Luis called me in for "an intensive one-on-one meeting." I'd only had my job a couple of weeks and I was still learning, so I hoped I hadn't screwed up. I walked

Luis is the head of the entire women's department—I mean, the whole thing. He's a very smart and handsome man, and he has a great job, and he even has a sexy accent because he's from, like, Argentina or Peru, I think, but none of that is why I started to like him.

It started 'cause he was training me. He told me he personally trained every new hire in the women's department because he believed in the highest standards of excellence. I was intimidated, but when he showed me how to properly fit a shoe, everything changed. It was love, instantly.

All he was doing was training me. He told me to take off my shoes and have a seat.

"I will demonstrate on you, a fitting." He kneeled at my feet. When his fingers wrapped around my ankle, shock waves shot through me. It was like he was a man made out of pure electricity. Maybe it sounds corny, but that's how I felt.

"At the end of each shoe, there must be adequate space for the longest toe, three-eighth to one-half inch," he explained. He squeezed my toe and I held my breath. What was happening to me?

into his office and he locked the door. I sat in the big leather chair facing his desk.

"I won't play games with you, Deandra," Luis said. "It is against the code of conduct to engage in a relationship with an employee, but you must know that I'm wild with desire."

"Me too, sir."

Luis was on me right away. Now, BJs are another thing I always felt were a big deal, reserved for your husband only. If I was gonna be really strict, I'd be like, NO BJs EVER, because at my church, they teach that oral sex is a sin even when you're married, but deep down I never really agreed.

And now I *really* didn't, because Luis was standing in front of me with his big, dark hard-on and guess what? My mouth was watering. That never would have happened with Reggie. I didn't feel for him in the deep and sexual way that I felt for Luis.

Luis's cock was really thick. I had to kind of stretch my jaw to fit him, because my mouth doesn't open very wide naturally—embarrassing fact about me! The truth is, it hurt to hold my mouth like that for so long, but love for what I was doing sort of took the

pain away. Luis grabbed me by the ponytail and crammed his dick as far as it would go down my throat, but I didn't gag. I flexed my tonsils and my tongue and moved everything out of the way.

"You make me insane," Luis growled, popping the buttons on my blouse and clutching at my tits. My nipples poked out of my bra, hard as rocks. Then it was like I was the insane one. I spread my legs and rubbed my pussy right there in front of Luis!

I just didn't care. I had to ease the pressure building up in my clitty. I stuffed my hand in my panties and went to town. Luis's dick filled my mouth. I closed my eyes and sucked and savored the taste. My pussy lips curled around my fingers and my hole quivered. I started to come, but I was scared I'd accidentally bite down on Luis, so I waited till he came on me. He came a lot, too, right in my face. It was the greatest. I'd never felt so dirty.

"Don't forget to finish with your pussy," Luis said, still holding his dripping dick. Now the pressure was on 'cause he was totally going to watch me masturbate. But that was fine by me. I spread my legs as wide as I could to give him a great view, and I rubbed till I came.

After that, things got really intense between Luis and me. But it was also a problem, 'cause he was my boss. We had to be very sneaky. We still weren't having sex, but I was sucking him off in his office every day. In my heart I wanted him to take me home and out on dates, but I didn't know if we could do that because our love was forbidden. I heard gossip sometimes about Luis. People said he was a womanizer, and this one lady Bess in Fragrances even said he was secretly married to a Mexican lady. But I didn't believe any of it. I knew we had something special.

A few weeks into our secret love affair, Luis finally took me out on a date. I was super nervous even though we'd been together a lot and I'd been so up close and personal with his peen. I knew things were about to get even more personal, 'cause he was taking me on an "overnight date." I had to lie to my parents and say I was going to my BGFs.

Luis drove us all the way to Indianapolis and took me to this really nice place. I ate lobster. Then he checked us into this swanky hotel. All I could think was, *I'm about to lose my virginity.*

When I think about it now it's like, I can't believe it took me so long. I also can't believe it didn't occur to me that Luis had a reason for driving us so far away for our passionate evening. But it was a night to remember. I wouldn't change a thing.

"Splooge dripped from my toes and splattered my boobies."

The room was lit with ornate gold lamps and the bed was gigantic. Luis poured some white wine from the mini bar, and I had my first drink. It was warm going down and made me feel lazy. I stretched out on the bed and smiled at Luis.

“Undress please,” he said, standing at the foot of the bed and looking all serious and manly. I squirmed out of my pink slip dress. It wasn’t embarrassing to be lying there naked, because I loved Luis. He sat down and rubbed my feet. It felt so good and stress relieving, but it also turned me on, the way he squeezed my arches and tugged at my toes. Then he did the strangest thing. He licked my feet!

It sounds disgusting, but it was great. The pussy is connected to the feet. I’m serious! My clit twitched with every flick of Luis’s tongue between my toes. At one point, he almost had my entire foot in his mouth. My coochie was so wet, I mean, it was ridiculous.

Just when I thought I couldn’t get any hornier, Luis busted out his dong and basically started, like, having sex with my feet. Don’t laugh, because it’s totally hot. He pushed my feet together and slid his boner between my arches. Then he licked my toes again so they were wet and slobbery, and squeezed his dick in between them. He kept panting, “Little piggies.” Think whatever you want, but try it sometime—you’ll see.

Of course, the most important part was still about to happen. All this time guarding my virginity, and I was ready to give it up completely. All my reasons didn’t matter anymore. All that mattered was Luis, and the sexual way he made me feel.

I wasn’t afraid of the pain, either. Luis had me so squishy, I was sure it wouldn’t hurt. Even though his cock looked the biggest

and fattest I’d ever seen it. Okay, I admit, I was a *little* afraid. When he held it in his hand and nudged it between my pussy lips, just the head alone felt so *giant*. I didn’t know how much my pussy could stretch.

I held my breath, and Luis *squeezed* his whole cock in, all the way. There was a tiny sting, and then...heaven! I felt so alive, in my spirit and my pussy. Lying there on my back with Luis’s dick sliding in and out of me, my knees at my ears, his hands squeezing my feet—it was, like, the most perfect feeling, ever, in my entire life.

“You’re so tight,” he wheezed. He stuffed my toes in his mouth. That’s when I really lost my mind! Actually, I *found* my mind. All of a sudden, I, like, knew how to have sex. I lifted my hips and thrust back at him. Before, I was worried about fitting all his cock in, and now I just wanted *more*, and *deeper*.

Suddenly, Luis moaned and grabbed my butt cheeks. He whipped his penis from my puss and sprayed his cum all over my feet. It was so cool. I wiggled my glazed tootsies in the air. I wanted to show them off. Splooge dripped from my toes and splattered my boobies.

We took a bath in the giant tub, and I slept in Luis’s arms all night like a baby. I’d found the man of my dreams forever—until a couple of weeks later, when I found out that Bess was right. Luis was married.

Adultery is so wrong, but I still love him, if you want to know the truth. My heart is broken for sure, but I learned a lot of important things. Like how awesome sex is. Also, how to love my body and my feet. It’s like, Luis started me off on this amazing adventure, but my happiness was cut short. I wonder if I’ll ever meet a man to show me the rest of the way. ★

A close-up portrait of a young woman with long, dark, wavy hair, smiling warmly at the camera. She is wearing a bright pink, spaghetti-strap top. The background is a solid light blue. In the top right corner, there is a pink rectangular box containing the text 'TUESDAY CROSS' in white, bold, sans-serif capital letters, followed by a thin white horizontal line, and then 'my first threesome' in black, bold, sans-serif lowercase letters.

TUESDAY CROSS

**my first
threesome**

PHOTOGRAPHY BY MARK LIT FOR DIGITAL DESIRE

Hi, it's Shawna the intern here with rising star Tuesday Cross. Since appearing in **BARELY LEGAL**, Tuesday has graduated from high school and starred in a porn movie!

Hey, Tuesday! Had any wild sexcapades lately?
I had my first threesome! I was walking with my roommate, and we met a hot guy, and she was all, like, "Hey, do you want to come over and have a threesome?" She was totally joking, *but he thought we were serious!*

Did you like it?

It was *soo* hot! I've been with guys and girls before, but never at the same time! At first, I was like, "Eeeek!" But watching them fool around got me so turned on, I had to join in!

Was it the best sex you've ever had?

It was, like, the most exciting night of my life! But it would have been better if he had fucked me a little harder. I like it rough.

AGE: 19
HEIGHT: 5-4
WEIGHT: 115 POUNDS
MEASUREMENTS: 32B-22-34
HOMETOWN: DENVER, COLO.

Have you ever tried anal?

Not yet! I've heard it hurts. But I've also heard it's awesome. I'd like to try it with the right guy.

How did you like giving away your panties?

I felt like a rock star! I'm glad to know someone out there is happy because of me! *Omigod*, I hope he's sniffing them right now and getting off on my new pics! LOL!

Would you like to be a huge porn star?

I'd love it! I really love being naked and having sex, so why not?

So, when can we see you again?

Anytime you want! Just call me, and I'll come running. Or I'll *come*, anyway! I don't know about the running part! ★

See Tuesday in *BARELY LEGAL #96* on DVD from HUSTLER Video.
